Our Spirituality Statement

'Roots to Grow and Wings to Fly'

As a proud Church school, we are rooted in love. At St Bartholomew's Spirituality is defined as a personal experience that enables us to wonder at, reflect on and have deeper connections with others and the world. Overall, recognising and connecting with something that is bigger than us. As spiritual learners we are looking through doors, windows and mirrors which awaken us to the energy of life and leaves our body and soul in awe and wonder.
